- A) All millwork and parts must be inspected prior to installation. While we strive for excellence in shipping, occasionally errors may occur. In the event of a discrepancy in quality, quantity or profile, notice must be given to Westcoast Moulding & Millwork Limited (WMM) as soon as possible and no later than 5 days after arrival of product. This includes material shipped to, or worked by, third parties including installers, painters and pre-finishers. It also includes material sent to another locations (i.e.: painter) prior to installation. A WMM representative will inspect the product in accordance with industry standards. Unacceptable product will be reworked or replaced. WMM will not be responsible for product after it is installed and therefor be relieved of any liability of said product.
- B) The purchaser, and/or their agent(s), are responsible for checking estimated quantities and all specifications submitted by, and/or to WMM prior to ordering. Regrettably there are no returns or credits for custom or special ordered product. There are occasions when certain specified lengths cannot be met due to either type of wood or lengths available in the market, and WMM will substitute lengths if where necessary. Quantities shipped may vary, within a reasonable amount, from quantities ordered. WMM will invoice at actual quantities shipped.
- C) LIMITED WARRANTY: A manufacturer's warranty applies to most products sold. This warranty may vary from product to product. In no event shall WMM be liable for any special, incidental, exemplary, or consequential damages, or commercial loss of any kind (including loss of income or profits). WMM's entire liability for breach of warranty is limited to the replacement of defective products, or to an amount not to exceed the price of the defective products. This agreement excludes all implied warranties including, but not limited to, the warranties of merchantability and fitness for a particular use.
- D) Undamaged and unpainted, stocking products can be returned for credit, at WMM's discretion, providing they are full length and in resaleable condition. This does not preclude payment with accordance to terms. Credit may be denied on overdue accounts. Return credits may be applied to outstanding charges.
- E) The customer agrees to pay for all expenses and fees arising from, or related to, purchases made on this account and efforts to collect payment for those purchases.
