Custom Doors by WESTCOAST MOULDING DOOR DIVISION

Key considerations in choosing the right door(s) for your home or project include door style, metal/fibreglass/wood, solid or hollow core, custom or standard size, fire-rated, and pre-hung or slab.

We sell an extensive variety of standard and custom interior and exterior doors with a wide range of features. Call 604.513.1138 to speak with a Product Expert to help you make the right choice or drop by our Showroom for more information.
